BALTIMORE, July 22.
The Crescent City which arrived in New York to-day, brings \$180,000 of gold dust in the hands of passengers. There was another great fire in San Francisco on the 14th of June, by which 500 buildings were destroyed. The loss is estimated at five millions of dollars.
Markets were active, but times rather dull throughout the country. Mining operations were still carried on with vigor, but the water was too high in the rivers for successful digging. The telegraphic wires East of Portland are broken. The Asia arrived at 12 o'clock to-day, but the news will only come through very late to-night, if at all.

IN QUART BOTTLES. FOR PURIFYING THE BLOOD, AND FOR THE CURE OF For the Removal and Permanent Cure of all Diseases arising from an Impure state of the Blood or habit of the System, viz:

Scrofula or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stomachic Ulcers, Syphilitic Symptoms, Sciacia or Lumbago, and Diseases arising from an Impure use of Mercury, Acidity or Dropsy, Exposure or Imprudence in Life; also, Chronic Constitutional Disorders, &c.

This medicine has acquired a very extended and established reputation wherever it has been used, based entirely on its own merits, which its superior efficacy has alone sustained. The unfortunate victim of hereditary disease, with swollen glands, contracted sinews, and bones half carious, has been restored to health and vigor. The scrofulous patient, covered with ulcers, a loathsome to himself and his attendants, has been made whole. Hundreds of persons, who had groaned hopelessly for years under cutaneous and glandular disorders, chronic rheumatism, and many other complaints springing from a derangement of the secretory organs and the circulation, have been raised as it were from the rack of disease, and now, with regenerated constitutions, gladly testify to the efficacy of this inestimable preparation.

"TRUTH IS STRONGER THAN FICTION."

The attention of the reader is called to the following astonishing cure, effected by the use of Sands' Sarsaparilla.

This is to certify that I have a colored woman who has been afflicted for the last five years with Scrofula, and all the remedies I used had no effect in arresting the progress of the complaint; on the contrary, she constantly grew worse; and after expending between \$70 and \$80 with physicians, besides using other popular remedies without success, till the disease had eaten away the cartilage of her nose, made its ravages in the roof of her mouth.

In this dreadful situation, with the prospect of death staring her in the face, I stated her case to Dr. Disosway, the agent for Sands' Sarsaparilla in Newbern, N. C., by whom I was advised to use that article; and to my surprise and to that of my neighbors, she was restored to perfect health, and that in the space of three weeks and was able to work in two weeks from the time she commenced taking it.

In witness of the truth of this statement, I have hereunto affixed my name, this 11th Sept., 1847.

SORE THROAT.

The following is an extract from a letter received from Mrs. Bevan, who had been afflicted several years with Scrofulous Ulcers, Dyspepsia, &c., and recently an attack of the throat and chest.—
BAILEYSBURG, Va., Dec. 13, 1845.

Messrs. A. B. & D. SANDS: Before I commenced using your Sarsaparilla, my sufferings were almost past expression; my throat was completely ulcerated, I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper; and besides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, my health improved, and my throat is now well; I am as free from cough and tightness of the chest as over I was, and can hear quite distinctly. My throat has been well about three months, the cure of which was effected entirely by the use of your Sarsaparilla.

Your friend, LOUISA R. BEVAN.

The following testimonial to the value of the Sarsaparilla, is from the Rev. Luther Wright, aged 76 years, Congregational Minister, residing at Woburn.

Woburn, Mass., March 30th, 1846.
Messrs. Sands: Gentlemen—From what I have experienced, and from the information I have recently received from a number of persons of high respectability who have used your Sarsaparilla, I have not the least doubt but that it is a most valuable medicine, and that the numerous certificates you have received of its efficacy are fully sustained by experience, and although its reputation and utility are very extensive, and stand in no need of my humble efforts to increase them, I want all who are afflicted by disease to become acquainted with the efficacy and power of your valuable medicine.

I am, gentlemen, gratefully and very respectfully yours,
LUTHER WRIGHT.

CATAWBA SPRINGS, LINCOLN COUNTY, N. C.

THIS well-known Watering Place is again open for the reception of company during the present season. The Springs having been recently repaired in a way which has rendered the water not inferior to any in the State. The sulphur property of the water is very little inferior to the celebrated Sulphur Spring, (Wilson's) in Cleveland county, N. C., independent of the other properties belonging to it.

Persons wishing to spend a few weeks or months of pleasure, will find a healthy country, good climate and much more convenient at this watering place than crossing the mountains.—The Spring is 24 miles North-west of Charlotte. Visitors from the South will find it best to come by way of Charlotte, crossing the Catawba river at Rozell's Ferry, or Beatie's Ford.
